

A Gift for Every Child

All I want for Christmas is a gift for every child.
One that will be treasured, one that brings a smile.
In this joyous season of pleasures great and small,
All I'm really asking is a gift for every child.

All I want for Christmas is the gift of harmony,
Where each child is treasured, and love the only key.
Worlds of different people can make a symphony.
All I want for Christmas is the gift of harmony.

**All I want is the gift of harmony
Where each child has love the only key
...make a symphony
All I want is the gift of harmony**

All I want a Christmas is a gift for ev'ry child.
