

Festival of Lights

Come and celebrate the festival of lights,
See the candles burning, burning oh so bright.
See the Dreydl spinning, spinning out of sight!
Come and celebrate these happy holy nights.

Come and celebrate the miracle of old.
Sing a song to praise a people brave and bold
Sing the miracle the story that is told
Bright menorah glowing wondrous to behold!

Once there was a lamp alight, with oil enough for but one night.
Then came a miracle, for eight full days it burned so bright.

Praise the Maccabean name, who saved its land from grief and shame,
Praise for its victory and liberty for all proclaim.
