

Gift For Santa

Every year I make a list of things I like to get.
Of this and that and these and those and things I don't have
yet.
And every year I know that Santa Claus will bring me stuff.
And he's so kind a generous it always is enough.

So I'm gonna give a gift to Santa Claus this year.
Oh, I'm gonna give a gift I'm telling you right here.
Oh, I'm gonna give a gift now don't you say humbug!
The gift I'm giving Santa is a great big hug!

Santa's always giving things to everyone he knows.
He spends the whole year making plans his list just grows
and grows.
His heart's as big as all outdoors as everyone agrees.
Oh he's the nicest fellow and he's always trying to please!

So I'm gonna give a gift to Santa Claus this year.
Oh, I'm gonna give a gift I'm telling you right here.
Oh, I'm gonna give a gift now don't you say humbug!
The gift I'm giving Santa is a great big hug!
The gift I'm giving Santa is a great big hug!

Hey Santa!
