I want a new guitar and.....

Hello Mister Santa!

What's goin' on?

I thought we had a good connection

And then you were gone!

I want a great big dog and a bird that sings and a pony I can ride!

A brand new pair of Nike Airs, to keep me right in stride!

I want a lifetime pass to the amusement park, and never have to stand in line.

I want a new guitar and DVR and all the DVD's I can find.
