

(Oh No!) The Snow's Gotta Go

Winter snow's in the air
Ice, frost and slush everywhere
Summer's comin' too slow,
Oh No, the snow's gotta go.

Will it ever subside?
Wish all my clothes would get dried.
Stay 'way mistletoe
Oh No, the snow's gotta go.

Wintertime's not for romance, gotta put love untold on hold.
Summertime's your only chance, cuase I'm comin' down comin down with a cold!
ACHOO!

Winter's tellin' ya straight.
I feel the need to hibernate
So if out love's to grow.
Oh No, the snow's gotta go.

Oh the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let It Snow! Let It Snow! Let It Snow!

Oh It doesn't show signs of stopping,
And I've bought some corn for popping,
The lights are turned way down low,
Let It Snow! Let It Snow! Let It Snow!

When we finally kiss goodnight,
How I'll hate going out in the storm!
But if you'll really hold me tight,
All the way home I'll be warm.

The fire is slowly dying,
And, my dear, we're still good-bying,
But as long as you love me so,
Let It Snow! Let It Snow! Let It Snow!
