

If I Could Fly Like a Snowflake

If I could fly like a snowflake,
I'd never, ever land.
I'd soar above all the oceans
And swoop across the sand.

I would go up, up, up!
I would go down, down down!
I would go side to side
And all around.

If I could fly like a snowflake,
I'd never, ever stop.
I'd zoom along in a valley
And buzz a mountain top.

I would go up, up, up!
I would go down, down down!
I would go side to side
And all around.

I would go up, up, up!
I would go down, down down!
I would go side to side
And all around.
Cha Cha Cha!
