

## Let them Glow

Glowing in the window,  
Lighting up in the night,  
Is the proud menorah  
With its candles bright!

Each one tells a story with its joyful light,  
How a little oil lamp burn'd for eight long nights!

Let them glow! Let them glow,  
As 'round and 'round we go.  
Shining proudly in the night,  
Eight candles in a row.

Let them glow! Let them glow,  
For it's the time of year  
For singing out the happy news that  
Hanukah is here!

Let them glow! Let them glow,  
For it's the time of year  
For singing out the happy news that  
Hanukah is here!

Hey!
