

Rules for Christmas

Be kind. Be gentle. Be grateful.
Be nice. Be friendly. Be good.
Smile a lot. Laugh a lot. Let your spirit show.
Be generous, thoughtful, courteous,
loving everywhere you go.

Shake off your stress, let go of your worries.
Time to have a happy holiday.
Wave to your neighbors, wave to your friends and
Share your joy for this happy holiday.
Remember to be generous, if you would.
'Cause it's a time for laughter, love and joy
and everything that's good.
