

## I Will Dare

People can tell me what they've done.  
May be some things. Maybe none.  
But people can't tell me what to do.  
I will choose the way that's true for me.

Don't want to fall into the trap.  
Don't want to be somebody's sap.  
I'm better than that!  
I'll go to the mat to prove I can be drug free! Yeah, yeah!

D! I won't to do drugs!  
A! Won't have an attitude!  
R! I will respect myself!  
E! I will educate me! (repeat) Now.

People can tell me what they know.  
I will listen as I go.  
But people can't take my mind away.  
Only I can have a say in me.

Don't have to follow others' path.  
Don't have to know their aftermath.  
My mind is my own!  
I'll reap what I've sown!  
I know I can be drug free! Yeah, yeah!

## CHORUS

Check your attitude at the door...(repeat)

(rap)

I'm gonna beat the odds.

I won't do drugs I won't give in.

I'm gonna call the shots I my life.

An I'm gonna win.

Don't push me. Don't press me.

Don't call me friend when all you wanna do is drag me  
down.

Its time for this to end!

I only want to win in this drug war!
