

Santa's Holiday Hoedown

It's a ho, ho, ho, ho hoedown and we're gonna go, go, go down,
Get the lowdown on this Christmas jamboree. Yee haw!
It's a hi, hi, hi, hi, high time for a fi, fi, fi, fi, fine time.
Get together for this Christmas jamboree!

We have Dancers dancing, and prancers prancing:
Singers singing merrily in the snow.

Have a hey, hey, hey, hey, hay day.
Its an o, o, o, okay day.
Come along and join our Christmas jamboree!

(spoken)
Swing your partner 'round we go!
Doin' a square dance in the snow!
Other way now but not too fast!
Got to make this hoedown last!
Do si do and du si du, plenty of dancin' left for you!
Clap you hand and stomp your feet,
This holiday hoedown can't be beat!

(repeat beginning section)
