

## The Kazoo Koncerto

One day when I was feeling bored, lookin' for something to do.  
So I walked on down to the music store and bought a brand new kazoo.  
It was shiny and bright a wonderful toy, just the size of my thumb.  
And whe I put it to my lips, I began to hum.

(Hum Ode To Joy)

When I was walking down the street humming a little song.  
I ran into a group of friends who wanted to play along.  
So we walked right back to the music store and bought some musical toys.  
And when we all began to play, we made a wonderful noise.

(Hum the Can-Can)

Now that people love to hear us play, they come from miles around.  
'Cause they just can't seem to get enough of our cacophonous sound.  
But we just play for the fun of it. We'd play until we drop.  
'Cause once we start to play kazoos, we never want to stop!

(Hum Eine Kleine Nacht Musik)

We never want to

(Hum Hallelujah Chorus)

No never want to stop!

Don't want to stop!

Mm mm....!
