

## Hannukah, Hannukah

Hanukkah, Hanukkah,  
Eight days of joy for Hanukkah.  
Hanukkah, Hanukkah  
Eight days of joy for Hanukkah.

Lai, lai, lai.....

Hanukkah, Hanukkah,  
Eight days of singing for Hanukkah.  
Everyone sing, let voices ring,  
Eight days of singing for Hanukkah.

Lai, lai, lai...

Hanukkah, Hanukkah,  
Eight days of dancing for Hanukkah.  
Raise arms high, let feet fly,  
Eight days of dancing for Hanukkah.

Lai, lai, lai,...

Hanukkah, Hanukkah,  
Eight happy days of Hanukkah.  
Play, dance, and sing, let voices ring,  
Eight happy days of Hanukkah.

Lai, lai, lai...

## A Holiday of Music

It's a holiday of music, it's a holiday of song.  
It's a holiday of singing, listening playing along.  
It's a holiday of music, do your very best to hear.  
For a holiday of music is a holiday of cheer.

Every note we hear as we deck our happy halls,  
Helps to make the season bright.  
Music fills our hearts as we make a joyful noise,  
In this season of love and delight.

It's a holiday of music, let the music start to play.  
For a holiday of music is a happy holiday!

(repeat entire song)

## Rock n' Roll Snowman

Have you heard about the rock n' roll snowman?

Snow-woh-woh-woh!

Have you heard about the rock n' roll snowman?

Snow-woh-woh-woh!

He likes to play his snow guitar, he wants to be a snowman star.

Have you heard about the rock n' roll snowman?

Snow-woh-woh-woh!

Do you wanna hear the rock n'roll snowman?

Snow-woh-woh-woh!

Do you wanna hear the rock n'roll snowman?

Snow-woh-woh-woh!

He's always rockin' in the snow, and everyone says, "go man go!"

Do you wanna hear the rock n'roll snowman?

Snow-woh-woh-woh!

Go, man, go!

Go, man, go!

Snow, Snow.

Snow, Snow.

Go, man, go!

Have you heard about the rock n' roll snowman?

Snow-woh-woh-woh!

Have you heard about the rock n' roll snowman?

Snow-woh-woh-woh!

He likes to play his snow guitar, he wants to be a snowman star.

Have you heard about the rock n' roll snowman?

Snow-woh-woh-woh!

Have you heard about the rock n' roll snowman?

Snow-woh-woh-woh!

Go, man, Go!

## Winter Again

Winter is my favorite season.  
There are some who don't agree.  
When it snows, that's when I'm happy.  
It's as simple as can be.

In the cold, in the snow is where I want to be,  
so let there be no doubt.  
You can keep all the heat and give me frosty air,  
Oh, you won't see me pout!  
Take a cure from the polar bears who know how to have fun!  
'Cause it's winter! It's winter again!

Penguins have the right idea,  
Gracing the Antarctic ice.  
Summer's fine but not forever.  
Winter can be very nice!

In the cold, in the snow is where I want to be,  
so let there be no doubt.  
You can keep all the heat and give me frosty air,  
Oh, you won't see me pout!  
Take a cure from the polar bears who know how to have fun!  
'Cause it's winter! It's winter again!

It's winter!  
It's winter!  
It's winter!  
It's winter again!  
It's winter! Snow and ice. Winter freeze. Artic air. Chilly breeze.  
It's winter! Really cold. Snowball fight. Bundle up so very tight.  
It's winter! Temperature going down. Slushy snow is all around.  
It's winter again! Blizzard like. Shades of gray. Take another  
snow day!

## Will You Be Here This December?

Will you be here this December with all your fam'ly and friends?  
Will you wrap us in love and hugs, hoping it never ends?  
If you're not here this December, we hope that you will know  
We will be there beside you wherever you may go.

Will you be here for the sunrise, sharing the day as it starts?  
Ev'ry moment we have with you stays right here in our hearts.  
If you're not here this December, we hope that you will know  
We will be there beside you wherever you may go.

We will be there beside you wherever you may go.

## Mittens and Gloves (First grade)

Mittens and gloves, gloves and mittens.  
Soft and warm, just like kittens.  
Keep my fingers nice and snug.  
Cozy as a big bear hug.

I will not forget them.  
When it's really chilly.  
I would be too freezy.  
That would just be silly!

Mittens and gloves, gloves and mittens.  
Soft and warm, just like kittens.  
Keep my fingers nice and snug.  
Cozy as a big bear hug.

Mittens and gloves!

## A Hawaiian Christmas (Second Grade Song)

Mele, mele, Kalikimaka, Hau'oli Makahiki Hou!  
Merry Christmas and Happy New Year too!  
Mele, mele, Kalikimaka, Hau'oli Makahiki Hou!  
Merry Christmas and Happy New Year too!

Santa's comin' he'll bring lots of presents in a magic canoe.  
He'll be wearin' a bright red suit though he won't be wearin' his  
shoes.

Mele, mele, Kalikimaka, Hau'oli Makahiki Hou!  
Merry Christmas and Happy New Year too!

Christmas lights at a fun festive luau, hula dancers begin.  
Lots of people and lots of music, the ukuleles will sing.

Mele, mele, Kalikimaka, Hau'oli Makahiki Hou!  
Merry Christmas and Happy New Year too!  
Mele, mele, Kalikimaka to you!

## Santa's Getting Fit For Christmas

Santa's having trouble with the chimneys.  
They're not so easy squeeze these days.  
To spread his Christmas joy, he's chosen to employ some changes  
to his lifestyle right away.

He's up to thirty minutes on the treadmill.  
He put those Christmas cookies away.  
He's gonna get in shape no matter what it takes.  
The Christmas Eve tradition is at stake.

Santa's getting fit for Christmas. He's feeling better every day.  
More Pilates. (ho ho ho!)  
Christmas calories. (no no no!)  
Santa's getting fit for Christmas.

He's taking out the reindeer for their daily walk, to optimize his  
heart's aerobic rate.  
He's made a list of nice and naughty calories, and checks them  
twice before he fills his plate.

He's making major changes to the menu.  
'Cause candy canes add too many pounds.  
He's really keeping tabs, and working on those abs.  
He'll be in shape before he comes to town!

Santa's getting fit for Christmas. He's feeling better every day.  
More Pilates. (ho ho ho!)  
Christmas calories. (no no no!)  
Santa's getting fit for Christmas.

Santa's getting fit for..Christmas!

## Sing a Song of Winter

Sing a song of winter,  
Sing a song of snow.  
Sing a song of winter,  
When the fires glow.  
Sing a song of winter,  
Just before the spring.  
Sing a song of winter,  
Of winter sing.

(Sing in a round)
