

Shout!

Shout! For joy, come on let's shout for joy,
come on let's shout for joy, come on and lift your voices.
Shout! For joy, come on let's shout for joy,
come on let's shout for joy, come on and lift your voices.

Sing the song together, sing it strong uniting with the throng in one
great burst of singing.
Let it sound, the music will resound, the love will soon abound in
one great burst of singing.
Shout!

Do you believe in a song, the one that moves you along, the one
that keeps drumming on inside you.
Now you can feel the beat, that takes you out of your seat, that lifts
you clear off your feet.
Shout!

There is a song that sings inside of us, there aren't two songs that
sound the same.
You've got to find the one that sings for you and let it rise, rise,
rise, and shine!

Shout! For joy, come on let's shout for joy,
come on let's shout for joy, come on and lift your voices.
Shout! For joy, come on let's shout for joy,
come on let's shout for joy, come on and lift your voices.

Sing the song together, sing it strong uniting with the throng in one
great burst of singing.
Let it sound, the music will resound, the love will soon abound in
one great burst of singing.
Shout! (multiple shouts, gradually crescendos to..) SHOUT!

Somewhere In My Memory

Candles in the window, shadows painting the ceiling.
Gazing at the fireglow, feeling that “gingerbread” feeling.
Precious moments, special people, happy faces, I can see.
Somewhere in my memory,
Christmas joys all around me,
Living in my memory,
All of the music, all of the magic,
All of the family home here with me.

Somewhere in my memory,	Somewhere in my memory.
Christmas joys all around me,	
Living in my memory,	Living in my memory.

All of the music, all of the magic,	
All of the family home here with me.	
With me.	Happy faces, I can see,
With me.	Special people,
In my memory.

Holiday Lights

Come watch the candles glow, eight candles in a row,
Letting the whole world know, that Hanukkah is here.
One candle, just one light, burned for eight days and nights.
We celebrate tonight this special time of year.

See the bright lights of Christmas in homes everywhere.
Lovely colors that tell us that Christmas is here.
Now the glow of the holidays soon shall unfold,
In the beautiful colors of red green and gold.

Colors of gold and blue
Shining so proud and true
Say Happy Hanukkah and
Merry Christmas too.
Whichever holiday,
Bright colors light the way.
It's clear they're here to say
Have a happy holiday.

'Tis the season of bright lights
that shine proud and true,
wishing all Merry Christmas,
Happy Hanukkah too.
Yes, the beautiful garlands
Of lights seem to say
all the very best wishes
For each holiday.

Our very best wishes now
For each holiday.

All our very best wishes
For each holiday.

Seven Feet of Snow!

Sitting here looking out the window,
Dark clouds are gathering overhead.
Hoping school will let out early;
That's what the weatherman said.

We're waiting for one, two, three,
four, five, six, seven, feet of snow.

We're hoping for for one, two, three,
four, five, six, seven, feet of snow.

We're praying for for one, two, three, four, five, six, seven, feet of snow.

Cause when it snows, we're all aglow, can't wait to go outside and throw a bunch of snow.

What's that I see outside my window?

Window?

Big snowy flakes, frosty white.

Frosty white.
Don't think we'll have
school tomorrow,

Tomorrow,
It's supposed to snow all night.

We're waiting for one, two, three,
four, five, six, seven, feet of snow.

We're hoping for for one, two, three,
four, five, six, seven, feet of snow.

We're praying for for one, two, three, four, five, six, seven, feet of snow.

Cause when it snows, we always know we'll need a tow out of the snow (a lot of dough).

When it blows it's quite a show, yes even though it's ten below.

We're a glow can't wait to go outside and throw a bunch of snow.

Seven feet of snow, YO!

Happy Holidays

Hear the merry bells a ringing,
Ringing all across the land.
O what joyful news they're bringing;
Peace on earth good will to men.
They're ringing joyfully, ringing merrily,
And their music seems to say,
"Peace to you in all that you do and have a very happy holiday."

Deck the halls with boughs of holly.
Fa, la, la, la, la, la, la, la.
'Tis the season to be jolly.
Fa, la, la, la, la, la, la, la.
Don we now our gay apparel.
Fa, la, la, la, la, la, la, la.
Troll the ancient yuletide carol
Fa, la, la, la, la, la, la, la.

(Sing both together)
