

**WHAT IS LURKING IN YOUR GARAGE?
WHAT IS HIDING IN YOUR ATTIC?
WHAT IS STOWED IN YOUR JUNK DRAWER?**

As part of Pine Glen's 50th Anniversary Celebration we would like to create a timeline of technology from the last 50 years. If you have an old phone, camera, computer accessory, toy, etc., that you would be willing to give up to this cause, please send it in to school by **June 10th**. There will be boxes for the collection of these "artifacts" in the hallway outside the music room. If you would like to get your item back after we use it, please clearly label it with your name, otherwise everything will be donated or recycled after the celebration.

**TAKE A LOOK AT THE SUGGESTIONS ON THE
BACK OF THIS FLYER FOR IDEAS!**
